Course Information

This is going to be a blended course. The lectures will consist of pre-recorded videos which will be posted on cuLearn the day before class (except for the first lecture). The first lecture on September 9th will be a zoom lecture where I will review the course outline, discuss the format of the course, etc. During the Monday scheduled lecture times I will hold Tutorial-type sessions on zoom to reinforce some of the concepts taught in class. On the Wednesday scheduled lecture times (except for the first lecture), I will typically hold the tests and may hold some Tutorial-type sessions on an as needed basis.

Course Description

This course is a course on the design and analysis of algorithms. Topics include: Basics of Algorithm Analysis, Algorithm Design Techniques (Greedy Algorithms, Divide-and-Conquer, Dynamic Programming), Graphs and Graph Algorithms, Linear Programming, NP-Completeness.

Prerequisites

One of COMP 2402 or SYSC 2100, and either COMP 2804 or both of MATH 2007 and MATH 2108 or equivalents.

Reference Textbook

There is no required textbook for this course. All of the concepts taught in the class will have many freely available online references. As new topics are introduced in class, the online references will be provided. Also, my handwritten notes will be posted online.

Evaluation

</tr>
<tr>
<td>100%</td>
<td>Total</td>
</tr>
</tbody>
</table>

Grades: Marks will be posted on cuLearn.
Collaboration Policy

★ There is absolutely no collaborating allowed for the tests.

Collaboration on assignments is acceptable but only at the level of discussion. When writing down the solutions, please write them down on your own. If you need help, please contact a TA or your instructor. Posting assignment solutions on discussion boards before the due date and time is also prohibited.

Undergraduate Academic Advisor

The Undergraduate Advisor for the School of Computer Science is available in Room 5302C HP, by telephone at 520-2600, ext. 4364 or by email at undergraduate_advisor@scs.carleton.ca.

The undergraduate advisor can assist with information about prerequisites and preclusions, course substitutions/equivalencies, understanding your academic audit and the remaining requirements for graduation. The undergraduate advisor will also refer students to appropriate resources such as the Science Student Success Centre, Learning Support Services and the Writing Tutorial Services.

University Policies

Full academic regulations are found in the University’s calendar (link). Some excerpts are below.

**Academic Integrity**

Every student should be familiar with the Carleton University student academic integrity policy. If you have been accused of breaching the Academic Integrity Policy, your Faculty Dean will inform you by email and in writing of the nature of the charge, the evidence against you, the procedures to be followed. For details on the procedure and policy, see here.

**Medical Certificate**

The following is a link to the official medical certificate accepted by Carleton University for the deferral of final examinations or assignments in undergraduate courses. To access the form, please go to [http://www.carleton.ca/registrar/forms/](http://www.carleton.ca/registrar/forms/)

**Requests for Academic Accommodation**

You may need special arrangements to meet your academic obligations during the term. For an accommodation request, the processes are as follows:

**Academic Accommodations for Students with Disabilities**

If you have a documented disability requiring academic accommodations in this course, please contact the Paul Menton Centre for Students with Disabilities (PMC) at 613-520-6608 or pmc@carleton.ca for a formal evaluation or contact your PMC coordinator to send your instructor your Letter of Accommodation at the beginning of the term. You must also contact the PMC no later than two weeks before the first in-class scheduled test or exam requiring accommodation (if applicable). After requesting accommodation from PMC, meet with your instructor as soon as possible to ensure accommodation arrangements are made. Visit the PMC website: (link)
Religious Obligations
Please contact your instructor with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. For more details, visit the Equity Services website: (link)

Pregnancy Obligation
Please contact your instructor with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. For more details, visit the Equity Services website: (link)

Survivors of Sexual Violence
As a community, Carleton University is committed to maintaining a positive learning, working and living environment where sexual violence will not be tolerated, and is survivors are supported through academic accommodations as per Carleton’s Sexual Violence Policy. For more information about the services available at the university and to obtain information about sexual violence and/or support, visit: (link)

Accommodation for Student Activities
Carleton University recognizes the substantial benefits, both to the individual student and for the university, that result from a student participating in activities beyond the classroom experience. Reasonable accommodation must be provided to students who compete or perform at the national or international level. Please contact your instructor with any requests for academic accommodation during the first two weeks of class, or as soon as possible after the need for accommodation is known to exist. (link)

For more information on academic accommodation, please contact the departmental administrator or visit: (link)
